

Discussion Board Grading

The following grading criteria will apply to this assignment:

Grading Criteria	Percentage
Engage in conversation on at least different 3 days each week with “Initial post” placed by Friday.	
“Initial Post” responding to DB assignment discusses all questions posed, and contributes to group understanding of topic (Initial response to DB placed no later than Friday).	50%
“Additional posts”, Sharing opinions, observations, and experiences, asking questions and making suggestions are evenly spread throughout the week (posts occurring on at least 2 additional days during the course week is the minimum number of comments required for grading)	50%
Notes to Students: <ul style="list-style-type: none">• Posts must be related to the DB topics for the week to earn points.• Students must place posts on at least three different days during the course week – “initial post” and two “additional posts” to earn full points.
