

Evolve and Shadow Health Instructions

To access the Shadow Health courseware, students will first need to have/create an Evolve account. If accessing Shadow Health for the first time, an Access Code will be provided by your instructor within the Class Announcements.

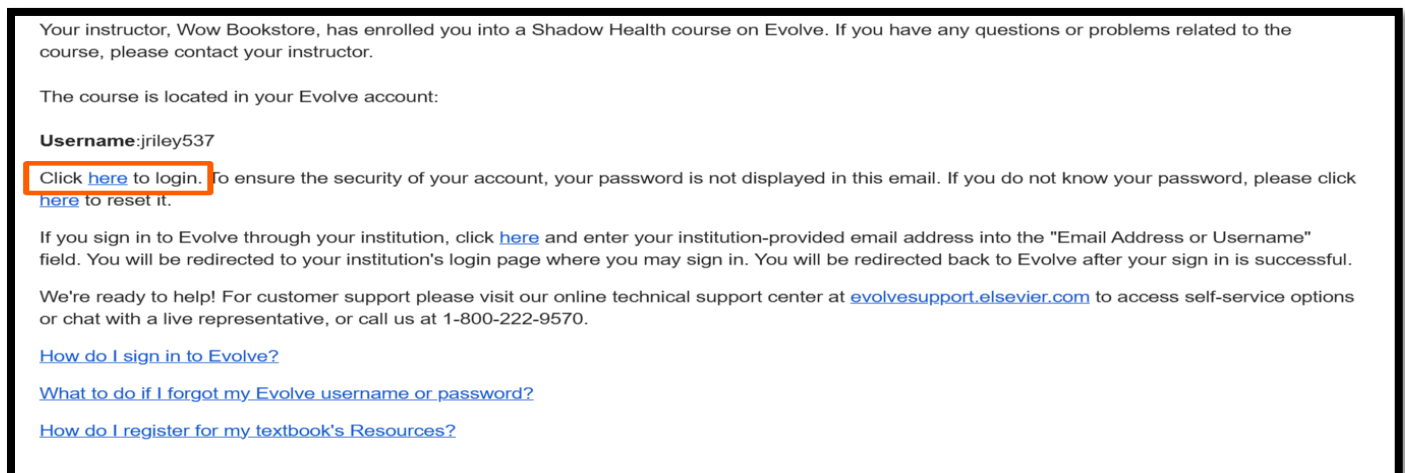

If you already have an Evolve account:

1. Log into Evolve using your CAMPUS Email address and the password created previously.
2. Open a browser window and go to the website: evolve.elsevier.com
3. Click “I’m a Student” if you are accessing a Shadow Health course for the first time and enter the Access Code provided by your instructor in your Course Announcements.
4. If you’ve accessed the Shadow Health courseware previously, click “Sign In” at the top of the screen.

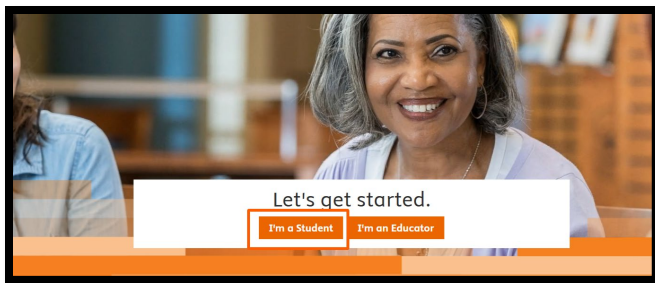

New Evolve Users:

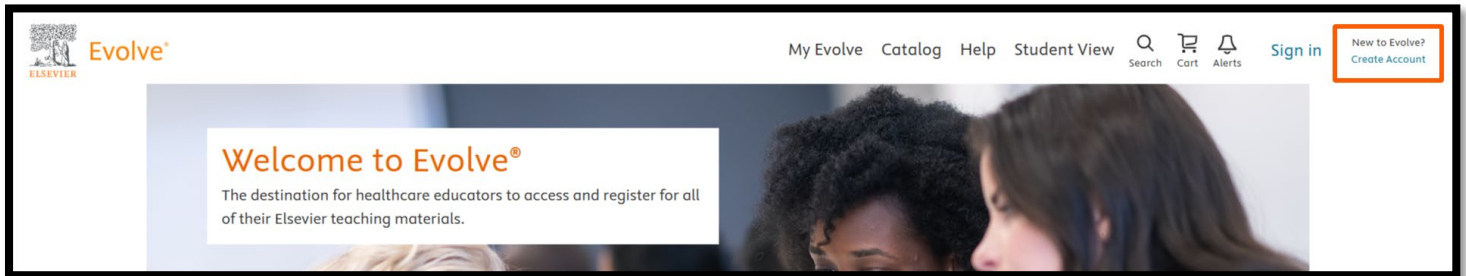

1. You will receive an email sent to your CAMPUS email address from no-reply@elsevier.com. From the email received, (sample shown below), select the “Click [here](#) to login” link to begin creating an Evolve account.

2. Click the “I’m a Student” button

3. In the upper right corner, click “Create Account”

4. Choose “Student” account and fill in all required information. Click “Submit”.

IMPORTANT: Be sure to enter your Campus email address (same one used to receive the auto-generated email). Failure to do so may result in multiple Evolve accounts being created!
