Registry (ATSDR)

Centers for Medicare and **Medicaid Services (CMS)** 

**Centers for Disease Control** and Prevention (CDC)

There are numerous agencies that are responsible for the healthcare industry. They can be on either the federal or state level. In the United States, the Department of Health and Human Services (HHS) is part of the executive branch of government. This department develops and implements regulations that help regulate the healthcare industry. These agencies are supervised by the Secretary of HHS.

**Indian Health Services** 

National Institutes of

Health (NIH)

Substance Abuse and **Mental Health Services** Administration (SAMSHA)

Health Resources and **Services Administration** (HRSA)

Food and Drug Administration (FDA)
